

EE6108 Project

- 确定展示内容
 - 展示主题
 - 面向对象
 - 总体时长
- 任务分工
 - 分工内容及所占工作内容比例
 - 根据内容搜集资料(10%)
 - 安排教学背景和流程(15%)
 - 设计和实现网络架构(20%)
 - 撰写任务提示和指导(15%)
 - 撰写项目展示报告(15%)
 - 完成项目展示PPT(15%)
 - 录制团队视频(10%)
 - 进度报告和内容分享
 - 因为Cisco Packet tracer不支持多人在线编辑，所以我们用Github进行内容分享，稍后你们将自己的账户发给我，我会邀请你们共同编辑。
 - 自己每完成一个部分的内容就将自己的程序上传到该部分的文件夹，如搜集到的资料就上传到搜集资料的文件夹，邀请之后可以看到。内容统一命名为日期-姓名-当日第几次提交（例如王二在四号提交的第三次，04-王二-03）。
 - 同时在Github上传文件之后需要在编写自己的内容简介，简介格式统一为日期-姓名-当日第几次提交，内容所属部分，内容简述（例如王二在四号提交的第三次，是搜集资料部分，搜集了IP协议相关内容，04-王二-03，搜集资料，IP协议在网络层进行路由的相关内容）
 - 这个还请各位务必完成，因为涉及到之后各自工作内容的评估。评估具体方法如下
 - 在项目完成后，由于每人工作内容在Github上面都可以看到，因此最后通过匿名问卷的形式，由小组成员对各自的内容进行打分（包括自己的内容），5分制，每人得分的平均数除以大家的总得分即在该部分的工作量。（例如王二在搜集资料部分，得分为5，4，3，4，3，均分为3.8，其余人均分为，4，4.2，3.5，4.5；那么王二该部分的工作量为 $3.8/(4+4.2+3.5+4.5+3.8)=0.19$ ，即19%）。最后总的工作量则由各部分的占比加权得到（例如王二在各部分的工作量为，19%，20%，18%，25%，26%，21%，24%，那么王二总的工作量即为 $10\%*19\%+15\%*20\%+20\%*18\%+15\%*25\%+15\%*26\%+15\%*21\%+10\%*24\%=0.217$ ，即21.7%）
 - 内容的打分标准则按照老师PPT上的标准。

Assessment standard	Poor	Fair	Good	Excellent
Group Project Report	Report tends to be disorderly and incomplete, has excessive errors or misses the submission deadlines	Report is completed but lack of details or contains some errors.	Report is well written with sufficient details. Minimum errors can be found.	Report is very well written without any error. The level of details and the extension to wider scope of the topic exceeds expectation.
Group Software Simulation	Unable to demonstrate understanding and learning outcome of the concept through simulation	Somewhat able to fulfil the basic requirement of simulation but is incomplete or contains some error.	The design and simulation results meet the expectation with some level of demonstrations.	Strong design are delivered through fully-functional simulations with quality documentation and scenarios demonstration
Individual Technical Presentation on major contributions and learning outcomes	Unclear and not well-prepared. Minimum individual contributions.	Acceptable slides and performance. Insignificant individual contributions.	Well-addressed presentation with good slides. Good individual contributions.	Clear and well-organized slides. Presentation in time and easy to understand. Major contributor of the team.
Teamwork	Participated in few or no group meetings. Provided no leadership. Did little or no work assigned by the group.	Participated in some group meetings. Provided some leadership. Did some of the work assigned by the group.	Participated in most group meetings. Provided leadership when asked. Did most of the work assigned by the group.	Participated in all group meetings. Assumed leadership role as necessary. Did the work that was assigned by the group.

- 线下交流在群里大家交流一个日期。
